*A party  
without table  
linen is just  
blah*

*Are you planning  
a party and need  
beautiful table linen  
to fancy it up!?*

Table Art was established  
in Melbourne, Victoria in 2006.

After decades of experience with table  
settings for weddings, parties & corporate  
events in the southern state, we opened  
our second showroom on the  
Sunshine Coast, Queensland in 2023.

We look forward to hiring our gorgeous  
napkins, table cloths & table runners to  
the DIY clientele, venues and event  
stylists/planners. We hire our linens to  
events located from the top to the bottom  
of the east coast of Australia.

A blurred background of a dining table. In the foreground, a silver fork and knife are visible on a light-colored tablecloth. In the background, there is a glass, a plate, and some greenery. The overall scene is softly lit, suggesting an indoor dining setting.

*How do you create  
that tableescape  
image you have in  
your head?*

*(or the one you saw on Pinterest!)*

The best first step is to send us your inspirational photos & a floorplan with table dimensions.

Floorplans are essential as table cloths come in many sizes. We quote with the fabric sizes that will create the best look for your floorplan at the same time as being the most cost effective.

Decorating your tables can be stressful. We don't expect you to work out the sizes yourselves - leave the hard work to the table linen experts (*self titled!*).
